Checking In

Out business hours are Monday through Friday 8:30 a.m. to 5:30 p.m., and 12 noon to 5:00 p.m. on weekends. Check-in time begins at 2:30 p.m., but you might be able to check in during the morning hours...you're welcome to call our office the morning of your arrival to inquire about the possibility of an early check-in. Check-ins after business hours must be prearranged.

Please note: The house where you'll be staying is not the same location as the office. You'll have to walk anywhere from two doors to a block and a half to your accommodations.

The neighborhood surrounding Johns Hopkins Hospital is extremely busy during the daytime hours on weekdays. We highly recommend that you NOT attempt to drive to our office before 4:30 p.m. on weekdays. Parking is nearly nonexistent during those hours. Instead, head to a parking garage (preferably Washington Street Parking Garage) and walk to our office. If a cab or shuttle is dropping you off and you have a substantial amount of luggage, you should ask the driver to stay put while you check in at the office. . . we will gladly give the driver directions so he can drop your luggage off directly at your accommodations.

Washington Street Parking Garage is located one and one half blocks north of our office. Once you have parked, exit the garage and walk against traffic down North Washington Street. Cross Monument Street and proceed to McElderry Street. Turn left on McElderry Street. Our office is the first door on your left (2000 McElderry Street).

If you are coming from the Outpatient Center, ask the nearest receptionist or security guard to direct you to Wolfe Street Entrance (the main lobby of Johns Hopkins). Exit the Hospital through the lobby doors. Once you're outside, continue walking straight the entire way to our office, taking no turns whatsoever. You will cross Wolfe Street, and then you will cross North Washington Street. Our office will be the first house on your left after you cross North Washington Street. Our exact address is 2000 McElderry Street (McElderry Street actually terminates at the doors of Wolfe Street Entrance; this is the reason that you don't take any turns on the walk from the lobby doors to our office).

On-Street Parking

If you've brought a car with you, we would **not** recommend parking it on the street. During the week, on-street parking is limited to two hours between 7am and 7pm . . . meter maids are especially vigilant in this neighborhood, so you are very likely to get a ticket if you exceed the two-hour maximum. Also, be aware that most streets have a designated "Street Cleaning" day & time . . . parking in a one of these zones on the wrong day will **guarantee** you a very expensive ticket.

Parking at the Hospital

Washington Street Parking Garage is the closest Hopkins parking garage to our houses. The standard rate for this garage is \$10 per day, and 8 hours constitutes a day. You can get a discounted rate on parking in this garage if you buy special coupons at the Admitting Office, which is located just inside the Wolfe Street Entrance of the Hospital. Ask to speak to the cashier, and he or she will sell you a book of parking coupons. It will cost you \$18 for a book of 5, or \$35 for a book of 10. Each coupon will get you a full 24 hours in the garage, provided that you don't come and go (the garage will not issue reentry passes). You may only exit the Washington Street Parking Garage 6:00 am – 12 am Monday – Friday, and 7:00 am – 7:00 pm weekends and holidays. You only need the coupons (or cash) upon **leaving** the garage; to gain entry, you only need to push a button and receive a time-stamped ticket. Washington Street Parking Garage is one and one half blocks north of our office.

The Outpatient Parking Garage and Weinburg Parking Garage works essentially the same way as Washington Street Parking Garage, but it is much further away from our houses.
